A BILL ENTITLED

1 AN ACT concerning

2 **Junk Dealers and Scrap Metal Processors – Required Records**

3 FOR the purpose of altering the requirements for records that certain junk dealers
4 and scrap metal processors must keep for each purchase of certain junk or scrap
5 metal in the State; providing that certain provisions of law do not apply to
6 certain transactions; providing for the designation of primary law enforcement
7 units; preempting certain rights of certain counties and municipalities;
8 superseding certain laws of certain counties and municipalities; providing for
9 the applicability of the record keeping requirements; providing for the form and
10 contents of the records; requiring that certain records be kept electronically;
11 providing for the submission of certain records to certain law enforcement units
12 under certain circumstances; providing that certain provisions may not be
13 construed to require junk dealers and scrap metal processors to incur certain
14 financial burdens for complying with certain record submission requirements;
15 authorizing certain law enforcement units to issue certain waivers under
16 certain circumstances; prohibiting junk dealers and scrap metal processors from
17 purchasing a catalytic converter except under certain circumstances;
18 prohibiting junk dealers and scrap metal processors from purchasing cemetery
19 urns, grave markers, and certain other items except under certain
20 circumstances; authorizing State or local law enforcement personnel to request
21 information from certain records under certain circumstances; authorizing a
22 State or local law enforcement agency to issue a certain hold notice under
23 certain circumstances; exempting certain items acquired from certain entities
24 from certain record and reporting requirements; authorizing certain law
25 enforcement personnel to enforce this Act; establishing certain penalties;
26 altering a certain definition; making this Act an emergency measure; and
27 generally relating to junk dealers and scrap metal processors.
